Getting to Carousel Theatre: lots of options

Walking or biking.

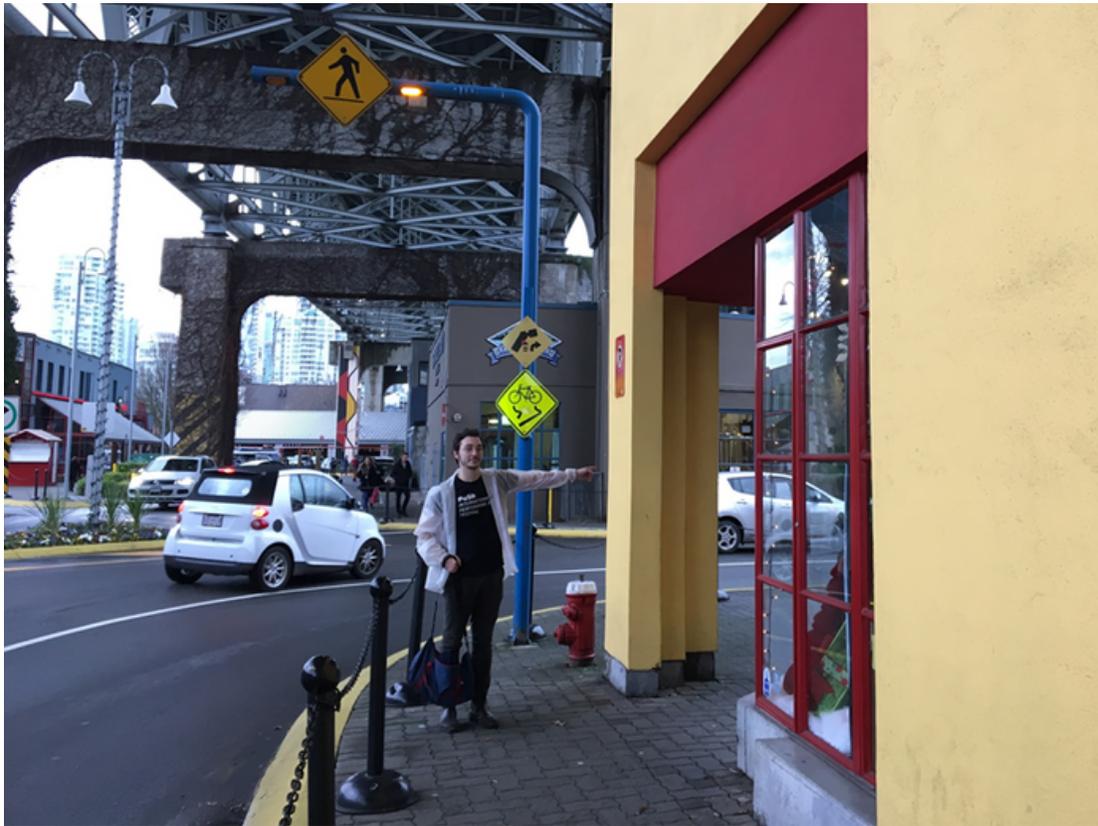

Granville Island is wonderful to walk to. It is also nice to walk around but there are no real sidewalks so it can be confusing to know where to walk. If you take your bike, there will be a bike valet.

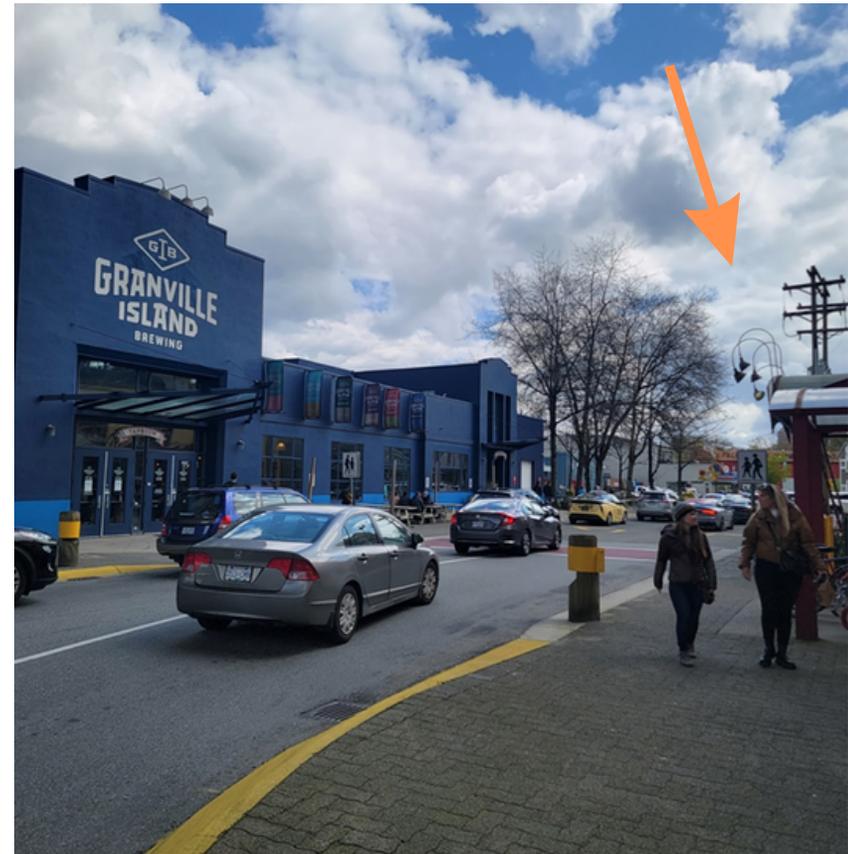

You will see the big GRANVILLE ISLAND sign. Keep going straight, across the bridge.

Walking/biking

Turn right onto Cartwright Street after the yellow building. This is the Kids Market.

Carousel Theatre is a bit further on the right, behind the trees

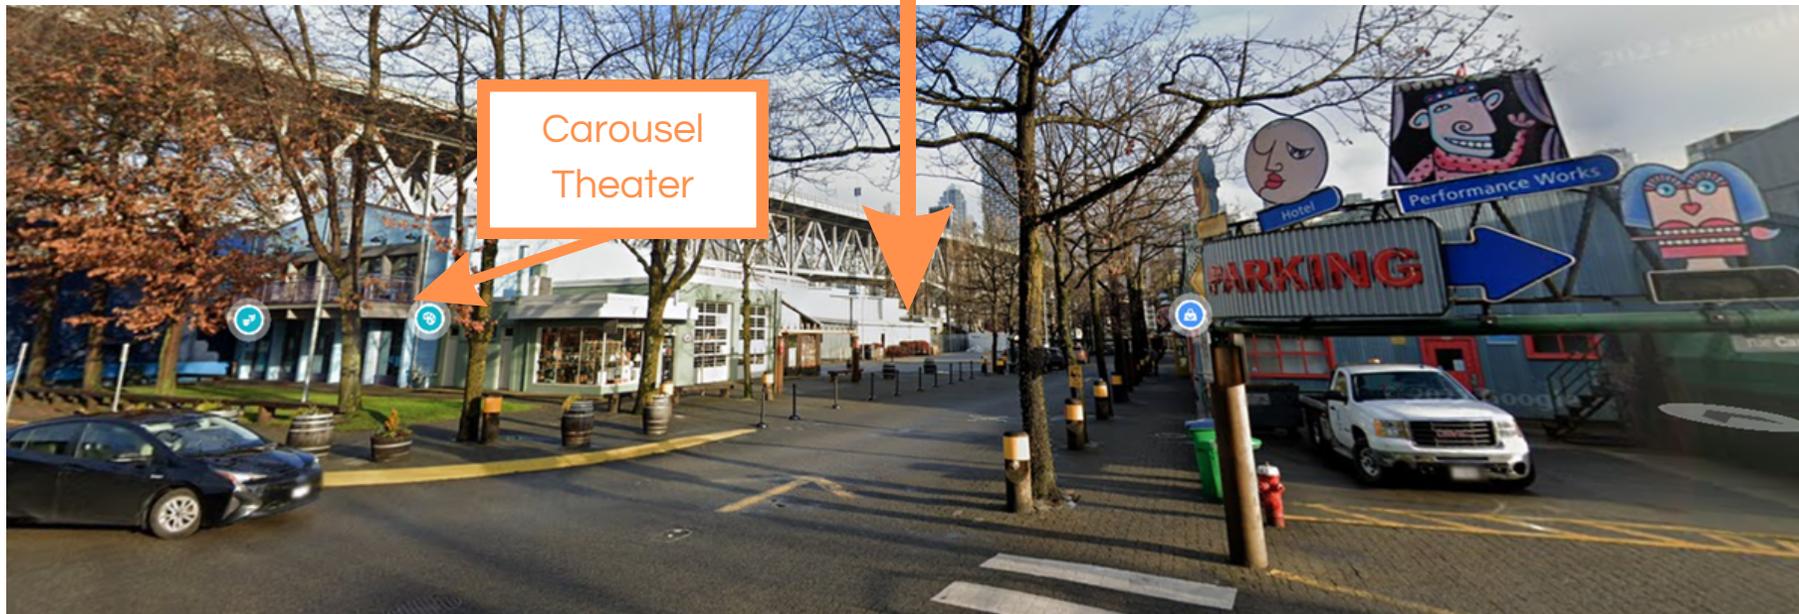

Bike Valet

The bike valet is free.

Open from 10am - 7:30pm.

It is there from the May long weekend till the September long weekend.

The bike valet will be around the corner in this parking lot

Bike Valet

It is in parking lot 55 on Old Bridge street. Turn left at the "parking" sign.

The bike valet is on your left.

The Carousel Theatre

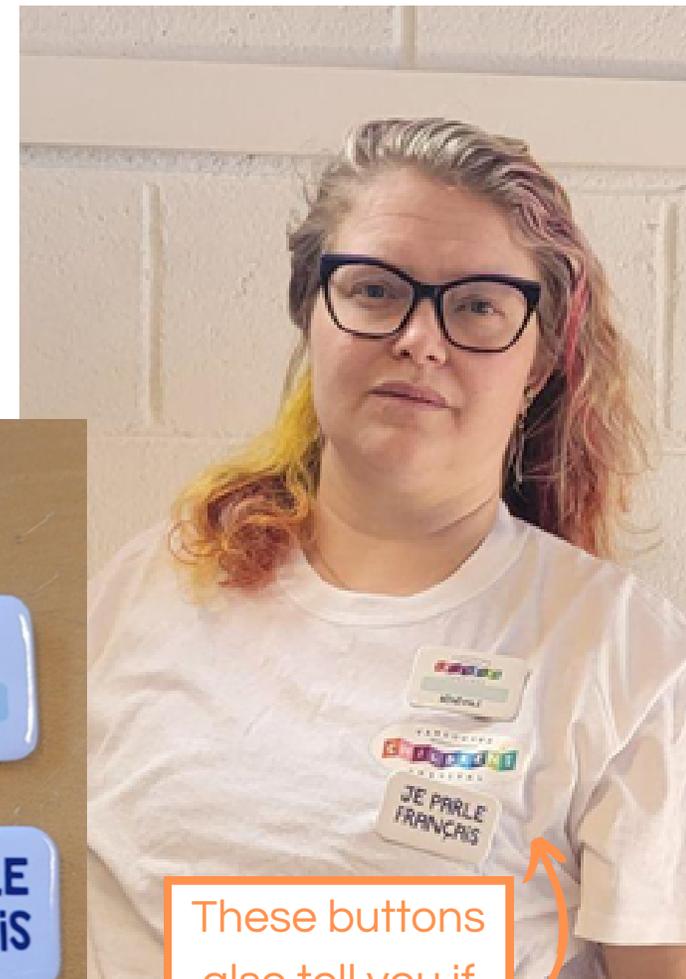

Someone at this lectern to the right of the door will check your ticket before you go inside. You can also buy tickets there.
